## **Very Important !!**

Through the efforts of state board members, Glenn Crumpton, Steve Blackwell and APOA manager, Fred Crawford, the Director of Clinical Services and Support with the Alabama Medicaid Agency has announced the following policy change:

**“Effective January 1, 2015, the yearly limitation for specific orthotic codes will be increased from two per calendar year to four per calendar year. This change will accommodate for growth spurts or other issues to help provide quality care for Medicaid recipients age 0-20”.**
